How to make it

1. Print the cut map at 100 % (Actual size). Check the square measures 1 in / 25 mm.
Woodland Mushrooms · free pattern from kinusaiga.org For personal use. Please don't resell the pattern.
2. Cut a foam board to the same size. Stick a double-sided adhesive sheet on it if you use one.
3. Tape the cut map on the board and score every line about 1/8 in (2-5 mm) deep with a craft knife.

Colour guide

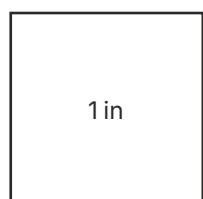

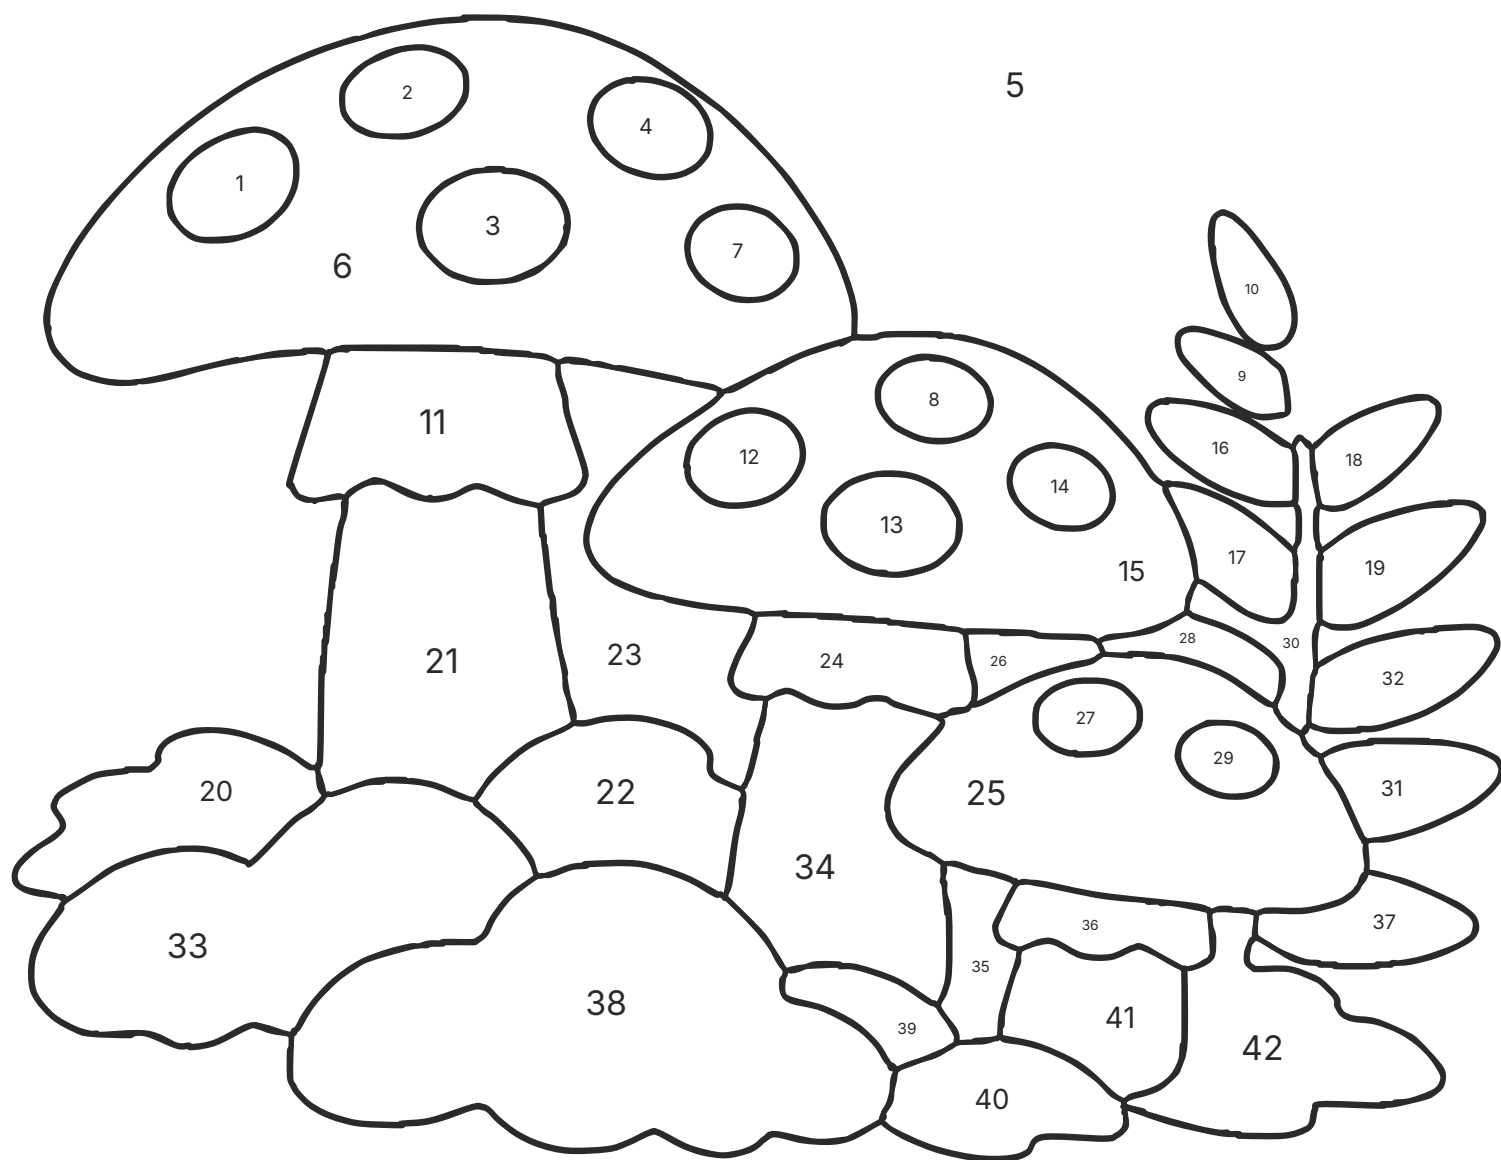

Number = piece, letter = fabric. Not to scale: use the cut maps for your board.
